

Qic 10 -profile nipples

Series 515, Hardened steel

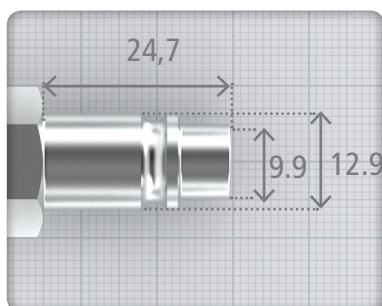

Qic 10-Profile Nipples

Hardened steel

Series 515 nipples are strong and impact-resistant nipples. They are produced in hardened steel, which gives a long-lasting product.

All nipples with external thread can also be delivered with teflon.

Dimensions: Series 515

Dimensions in mm (1:1)

Compability

Standard: Qic 10

Flow diameter: 8 mm

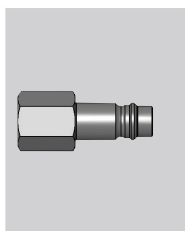

Connectable with the following:

Atlas Copco Q 10, Rectus 33 and many more
