

9mm L-band Worm-drive Hose Clip

MIKALOR

Thanks to the exclusive design of the housing, the ASFA-L W5 hose clip has excellent performance while being at the same time very compact. The cold-formed stamped band thread, smoothed on the underside, combined with bevelled band-edges protects the hose from damage.

The ASFA-L W5 hose clip complies fully with the DIN 3017 norm and also with the RoHs directive EU 20032/95/EC dated 1st July 2006.

This clip is ideally for use in the petrochemical, foodstuffs and marine industry due to the outstanding corrosion resistance offered by the use of AISI-316 stainless steel in its manufacture

ASFA 'L' W5 Worm-Drive Clip (9mm bandwidth)

Asfa-L W5 Hose Clip (9 mm bandwidth)
