EC Directive 89/686/EEC

EC Type-examination

Issue 3

PPE Product

Petzl® VERTEX VENT, Helmet for work at height, rescue, climbing and mountaineering with an ABS shell, which is available in one nominal size (head sizes 53-63 cm) and seven colour options: Black (colour code: N), Blue (B), Green (G), Orange (O), Red (R), Yellow (Y) & White (W), product code: A10VXA, where X is the colour code of the shell.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standard:

EN 12492:2012 + A1:2012 (Mountaineering equipment - Helmets for mountaineers).

In addition the helmets also met the following specific EN 397:2012 + A1:2012 (Industrial safety helmets) performance requirement clauses:

5.1.1 (Shock absorption), 5.1.2 (Resistance to penetration), 5.2.1 (Very low temperature (-30°C)) and 5.2.4 (Lateral deformation).

The models also met the additional requirement for UIAA 106_2:2013 (Mountaineering and Climbing Equipment - Helmets) compliance.

The manufacturer's information notice [A115060E (080211)], in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

Certification is based on technical file reference: VERTEX VENT Ref 10VXY, issue November 2010 with amendments to November 2015.

SGS Reference Number GB/PP 215239
